

Home & Community Supports

Improving skills that allow people to live and participate in their local community.

Achieva provides in-home and community supports to people with disabilities. Our goals and services are designed to build independence and ensure health and safety for people of all ages.

Achieva Home and Community Supports provides choice while ensuring health and safety.

- **A Home of My Own** assists people with disabilities to live safely in a home they choose.
- **Companion or Family Aides** provides people with disabilities and/or family members with supervision and minimal assistance for their health and safety.
- **Home and Community Habilitation** helps people grow independently, allowing them to live and participate in their local community.
- **Hourly Respite** provides periods of rest or relief for families caring for a loved one.
- **Housing Tenancy** offers resources to locate and maintain cost-effective, accessible housing.
- **Personal Care Attendants** provides daily living skill and medically necessary support to people from birth through age 21.
- **Temporary Aides** provides specialized care as requested by school districts, medical facilities and community organizations.
